Wine and Artisanal Charcuterie with networking and Grants Celebration

Event will include the presentation of the 2026 Grantees, the Driving Force Award Presentation, and Networking.

What began with 16 visionary First Founders in 1993 has evolved into a dynamic organization with bold goals to empower women and girls in Delaware. With your help, we will get there.

The first goal was to recruit 1,000 women to donate \$1,000 each. Today, the Fund for Women (FFW) has more than 2,700 Founders and Young Founders (under age 35) who have supported our efforts.

As we continue to evolve, we realize our work is far from done. Each year we award grants to viable, sustainable non-profits in Delaware with a focus on women and girls. Only a fraction of the grant requests are funded each year through the formal grants process.

Through sponsorship, we offer you a way to spotlight your organization and your commitment to women and girls in Delaware.

Donations are tax-deductible as allowed by law.
Great statewide exposure.
Help us make a lasting impact in our community.

How can you GO BIG?

- Become a sponsor for the 2026 Grant Awards Celebration
